

Eling Infant School
And Nursery

Do you know someone who would be a good Governor for our School?

We are looking for volunteers, both parents and community members to add to our committed and proactive Governing Board, here at Eling Infant School, alongside our hard working staff and leadership team, and amazing pupils.

We are looking for people who have the skills to work as a part of a team to monitor, evaluate, guide, challenge and be a critical friend to the leadership team, to enable us to move 'Towards our very best together'.

Skills in data, finance, education, or HR are useful, but the most important thing is that you care about our school, and making it the best it can be for our pupils. Full training is provided.
